Statutory References

49 U.S.C. Section 5309

Features

- The basis for allocating fixed guideway modernization under Section 5309 does not change. It remains a function of miles of fixed guideway (including HOV and busway) in revenue service and passenger miles of service.
- The proportion of Fixed Guideway Modernization funds to other portions of the 5309 program changes slightly.
- Funding for all Formula programs is changed from a combination of Trust Fund and General Fund in fiscal year 2005 to Trust Fund only in fiscal year 2006 and subsequent years.
